Membership Renewal No: Name:

Dear

Thank you for being part of WRSC. It is renewal time, following one of the strangest 12 months we have ever faced.

Before going into the renewal section in this letter we would like to acknowledge the incredible amount of hard work, long hours and heartbreak experienced by our rescuers and carers during the recent drought and bushfires. From our members losing their properties, to the bat clinic taking in over 400 baby flying foxes in the space of a few days, it has not been a good year. But there has been a superhuman effort by our members so thank you to the rescuers, the carers and the support members who answered thousands of emails and phone calls - not to mention the huge amount of donations that have to be processed. Please see the attached President's report with details on our last 12 months

A big hi to all the new members who have joined us. We would love to welcome you with open arms, but under social distancing we cannot, and nor can we offer our standard training. We hope you will bear with us while we try to get back to normal.

In acknowledgement for the efforts of our carers, for our new members not being able to fully partake in activities, and because of the generosity of donors, we are discounting the renewal cost by 50% to \$15 for Primary members for this year only.

We have a major change to the way we are doing renewals this year. You now have the opportunity to renew online.

In this email you will find a link to your membership record, where you can check and update personal details.

When your details are correct, all you need to do is acknowledge the terms and conditions and remit the funds as shown on the acknowledgement screen

If you do not want to renew on line, that is not a problem, email me and I will email out your renewal form.

Wherever possible, we will be emailing your acknowledgement letters along with a pdf of your membership card, which you may print out, load to your phone, or if you want a laminated one, please let me know.

If you have animals in care, and have not paid membership by the start of the new financial year ie 1 July 2020 then you are not covered by NPWS licence MWL000100253 or our insurance.

Thank you again for your membership and it is a new world we are facing and look forward to facing it with your assistance.

Yours Sincerely

Anne Cherry
